MEMORANDUM FOR THE RECORD

SUBJECT: Planning Group Briefings

1. The Agency Planning Group for a Mechanically Integrated Reporting and Communications System recently completed a series of special briefings designed to provide background information about topics with which the group is concerned. In all, fifteen topics were presented during the briefings - plus a panel discussion and two special tours of communications installations.

2. Written summaries of nine of the topics were distributed to members of the group on 23 January 1959. Attached are the six remaining summaries as listed:

25X1

TOPIC
